How good is Alltech solar?

Start your review of Alltech Solar. I had Alltech install a 3.8 KW system at end of September of 2022, and it's been working great. I have an unusual open beam roof, and Chase from Alltech readily told me how he could install the solar panels.

Is Altech solar a good company?

As with the first installation, we found Altech Solar to be professional, reasonably priced, efficient and extremely tidy. The workplace was left completely cleaned up each day and the job was completed on time, with each step explained and followed up on. We would highly recommend them. Exactly what I asked for.

Does Alltech solar accept credit cards?

Alltech Solar accepts credit cards. How is Alltech Solar rated? Alltech Solar has 5 stars. What days are Alltech Solar open? Alltech Solar is a Yelp advertiser.

Is Alltech a good installer?

Alltech is a fantastic installer. They are use to working on more commercial installs so a home install was no problem. They were very clear and strait shooters. The work was professional. Later on there was a problem with one of the panels. They diagnosed the issue the next day and replaced the panel at no charge to me.
