

Bahrain nanosun solar

What is Bahrain's new Solar Initiative?

Discover how Bahrain's latest solar initiative, led by Vitol Bahrain, signals a bold move towards sustainable energy solutions. With government support and innovative features like EV charging points, the Dragon City project highlights Bahrain's commitment to reducing carbon emissions and embracing renewable energy for the next quarter-century.

What is the largest solar carport in Bahrain?

The solar plant at Dragon City, with a capacity of 5.7 MW, is the largest solar carport plant in Bahrain and ranks as the second-largest solar project in the Kingdom. Over the next 25 years, it is expected to generate 9,000,000 kWh of clean renewable energy annually, substantially reducing the nation's carbon footprint.

What makes nanosun a good company?

Nanosun is a professional, and quick response organization. Wide availability of products, with fast delivery and good prices. They go the extra mile to meet customer and market demands. Doing business with nanosun was pleasant and very efficient; their consultancy was friendly and professional.
