Is Falck Renewables rebranding?

Falck Renewables is to undergo a rebrand as a new chapter opens for the green energy company. Once owned by the Falck family, an Italian dynasty, the company was acquired by institutional investors, advised by J.P. Morgan, in February and subsequently delisted. To mark its change of ownership, Falck Renewables will soon become Renantis.

Will Falck Renewables become renantis?

To mark its recent change of ownership, Italian green energy firm Falck Renewables will soon become Renantis.

Where are offshore wind & Bellrock offshore wind floating schemes located?

The Broadshore Offshore Wind and Bellrock Offshore Wind floating schemes will both be located off the north-east coast. Work is also ongoing on the 1 GW Stromar development, the consortium's third ScotWind project that also includes Danish renewables giant Orsted.
