GRIDSERVE has completed the development of the "UK's most technically advanced hybrid solar and battery farm" in Cirencester, the company said. The 23MWp DC coupled solar and battery farm includes more than 43,000 bifacial solar panels, plus 51MWh of energy storage. It is the third such farm to be handed over to Warrington Borough Council ...

The Battery Farm. Manchester, UK. The Battery Farm - a Gutter Punk four-piece from Manchester playing visceral, punishing rock music infused with pain and passion. A guttural cry against a violent world, whose songs are borne of that violence. Part nihilism, part hope. Part rage, part joy. Trying to make sense of ourselves in a time that does not make sense at all.
