iGoRail is our enterprise management system. It enables efficient management of inventory, production accounting and electronic filing with Petrinix for all of our terminals. iGoRail's robust ANSI X12 EDI interfaces allow us to communicate effortlessly with railways, customs brokers, truckers or any firm using ANSI standard EDI.

Customs. If you prefer, we can electronically file to Canada and US customs using Jori International, CN Customs or your preferred customs broker. We file the proforma invoice to ensure that your shipments clear the border without a costly incident.
