Who is a creative agency in Bermuda?

Creative agency in Bermuda offering branding, web design, and marketing services. Cosmic Ltd. specializes in tailored digital solutions.

What was Bermuda like in the '50s & '60s?

Constituted by an equilateral imaginary triangle that linked the points of the islands of Bermuda and Puerto Rico with Miami, it was the place of one million square kilometers where more strange phenomena, especially in aeronautics, occurred during the decade of the 50s and 60s. And before, in maritime navigation.

How does cosmic radiation affect aircraft?

Similarly, the cosmic radiation that causes changes in the bits stored in the registers and memories of the different microcontrollers, microprocessor and digital systems of the aircraft, are redundant, diversified or hardened by hardware, by software, or by a combination of all of them.

Was the Bermuda Triangle a true story?

It seems like a story taken from *The Outer Limits* but unfortunately, it is absolutely true (or an urban legend for the most skeptic people): The Bermuda Triangle existed and was a complete enigma without explanation at the beginning (and for many, for a good part) of the twentieth century.

It extends above the ionosphere, above 500 km in height, protecting life on the surface from the arrival of ionizing radiation from the Sun, and also from a part of cosmic rays, ...
