Kweli.shop delivers products to customers across Uganda, South Sudan, DRC, Kenya and Tanzania. A leading online shopping platform in Uganda, Kweli.shop offers customers the option to pay for their favourite appliances, electronics or solar products with cash, in instalments or on loan (for select products).

The people of South Sudan use 230 Vac 50 Hz electrical current, and AIMS Power has a plethora of products that operate within those parameters as a solution for the energy needs of the South Sudanan people. Power inverters are an integral part of the way of life in South Sudan because of the unstable electricity there.
