WvdB: In the choice of a supplier the technical and commercial side is very important, but we are a family old company and for us the relationship aspect is fundamental. This is also something we looked at during the purchasing process, the interaction between our points of contacts, and also compared with the competition, Prima was excellent.

1. Über 30 Jahre Know-how in der servoelektrischen Technologie.. 2. Bis zu 30% Reduzierung der Zykluszeit durch servoelektrische Technik im Vergleich zu den traditionellen Technologien.. 3. Außergewöhnliche Flexibilität mit verschiedenen Konfigurationen, um jede Produktionsanforderung zu erfüllen, einschließlich der Integration mit einem Industrieroboter.
