

British harmony energy storage project

Does Harmony Energy Income Trust own a battery energy storage system?

Yorkshire-based energy storage developer Harmony Energy Income Trust plc has installed seven battery energy storage systems (BESS) in England and one in Scotland. It has been attempting to sell its assets since May 2024.

Will foresight make a GBP 191 million offer for Harmony Energy Income Trust?

London-based renewables investment manager Foresight group plc has indicated an intent to make a GBP 191 million (\$248 million) offer for English BESS developer Harmony Energy Income Trust plc. Foresight yesterday announced it had received the backing of the Harmony board for a potential offer of GBP 0.84 per share for Harmony's stock.

Will 'foresight' make a firm offer for harmony's stock?

Foresight yesterday announced it had received the backing of the Harmony board for a potential offer of GBP 0.84 per share for Harmony's stock. The clean energy investor now has until April 14 to "put up or shut up" by making a firm offer for the stock.

Will harmony's takeover offer lapse if foresight does not materialize?

An offer by the Harmony board to secure 12.04% of shareholder votes in favor of the proposed takeover will lapse if Foresight's firm offer does not materialize by March 31.
