

Chad solimpeks com

Why did Solimpeks become a global company?

This growth propelled Solimpeks to expand its operations and venture into international markets, driving renewable heating exports and successfully competing worldwide. As a result of its expansion efforts, Solimpeks has earned a global reputation as a world-leading manufacturer of high-quality renewable heating products.

Are Solimpeks certified?

Solimpeks are certified in accordance with ISO 9001 and ISO 12001. To make sure that only products of the highest quality leave our plant, testing quality begins with semi-finished materials and follows through to packaged products.

Where can I see Solimpeks hygienic tanks at Intersolar Europe?

Solimpeks, the leader in renewable heating, is super excited to showcase our amazing range of storage and hygienic tanks at the #IntersolarEurope Exhibition! ? Catch us from June 19-21 at Booth Hall A4.611.

Solimpeks is a global leader in high-quality solar energy products, specializing in solar thermal collectors, PV-T hybrid collectors, thermosiphon systems, and related mounting systems.

Solimpeks es lder mundial en productos de energa solar de alta calidad y se especializa en colectores solares trmicos, colectores hbridos PV-T, sistemas de termosifn y sistemas de montaje relacionados.

Experienced partner with a demonstrated history of working in the renewables and environment industry. Skilled in Business Planning, Sales and Solar Energy.
