Can Dura design a workshop?

Depending on the requirements of your workshop, Dura can either use workshop furniture from our extensive range to create your own modular system or develop bespoke cabinets around your precise specifications, guaranteeing that the design of your workshop is perfect for you and your technicians.

Why should your business choose Dura cabinetry & design services?

Dura's award-winning workshop cabinetry and design services can deliver the solution for your business to: Discover Dura Limited's world-class integrated workshop furniture, designed to maximise efficiency and quality.

Who are integrated workshop systems?

We specialise in creating high-quality workshop environments, having designed the 'Integrated Workshop System' concept in 1997. Today, we are widely recognised as the world's leading workshop designers and manufacturer. Our clients include globally respected automotive and commercial brands and the most exclusive residential properties.
