From December 2023 to February 2024, the Falkland Islands Environment Department held a public consultation on the draft Energy Strategy and Implementation Plan.

The first map developed by Razbam and maybe one of their most ambitious projects. ED advised them to start small and focus on the Falkland Islands only. But RAZBAM decided to go all in and model half of the continent. They want to build on both a modern and historical version of this map. Release date is still unknown.

Original Battle: <https://youtu /wStNLI825bQ>With the news that Argentina's new president Javier Milei has ambitions of re-taking the Falklands/Malvinas Isla...
