ARDESTO CHK-2000MW has three power levels to create an optimal temperature mode in the room: 750, 1  
250 and 2 000 W. Adjustment is mechanical, a rotary wheel is built into the side surface of the case. In  
addition, it is possible to adjust the thermostat operation (two modes). The device is free-standing, intended  
for floor installation, and ...
