

Elinex power solutions Saint Pierre and Miquelon

ELINEX oplossingen. ELINEX is naast service provider ook fabrikant van verschillende oplossingen. Binnen ons eigen portfolio brengen wij de EL Powerconditioner, de ELINEX Power Container, Residential NSA en de merkonafhankelijke UPS, NSA en batterijmonitoringsoplossing BACS in combinatie met EPMS op de markt.

ELINEX Power Solutions has been ensuring for over 38 years that power supply is maintained during crucial moments. Preventing power outages can sometimes literally save lives. With ELINEX, your world keeps turning, even when the rest ...

To demonstrate the power of Elinex's innovative solution, they needed a standalone data center. Elio explains, "We saw Elinex's work at Datacenter United. They recommended that I talk to Elinex." Tom Faber, account manager at Elinex, adds, "The Huawei FM2000 data center turned out to be ideal for this situation.

The BESS is a new and innovative solution that emerges from new market needs during the energy transition. ELINEX delivers complete BESS projects and (after) service in power ranges from 20kWh to 2MWh or multiples thereof. A BESS solution is a "Power Solution", which technically has some similarities to a UPS but also significant differences.

A UPS and a generator are both emergency power solutions. Unlike a UPS, an NSA can't provide uninterrupted power because the generator doesn't run continuously and always needs a short time to start up. During a power outage, the UPS system switches on immediately to prevent you from losing power. The NSA also starts up automatically.

ELINEX specializes in the placement, installation, and commissioning of emergency power installations, even at the most difficult-to-reach locations. The systems we deliver consist of multiple components and offer a comprehensive ...
