

Guernsey s energy co ltd

Who is Guernsey energy?

From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group. We've been providing energy solutions to the Channel Islands for almost 200 years.

Will gas be a part of Guernsey's net zero future?

Gas will continue to have a place in the energy mix as it is vital for the success of our island's energy transition - and we plan to be a big part of Guernsey's Net Zero future so we can continue to provide energy for every generation. Guernsey Energy has been providing energy for every generation for almost 200 years.

Does Guernsey have electricity?

The company is the sole licenced distributor of electricity to Guernsey with over 94% of the island's energy being supplied through the subsea cables while at the same time maintaining sufficient on-island generation capacity.

When did Guernsey Electricity become a company?

In 1993, Guernsey Electricity was adopted as the trading name, and in 2001 became Guernsey Electricity Ltd following commercialisation. In 1998, the Channel Islands Electricity Grid was established to operate subsea cables supplying electricity from Europe giving a secure, reliable and affordable source of energy.

Does Guernsey energy offer support?

Guernsey Energy Managing Director, Darryl Goddard, said support is available for customers. "Energy markets are subject to a variety of complex influences which impact our supply chain and keep the cost of services that are crucial to the supply of gas high," said Mr Goddard.

Who is Guernsey Gas Light Company Limited?

The Guernsey Gas Light Company Limited was formed. Gas was used in local homes, proving to be a safe and cost-effective fuel for heating, cooking and hot water. All local gas was generated from coal at production plants in St Peter Port. It was decided to manufacture mains gas from Liquefied Petroleum Gas (LPG) Butane and Propane.
