Who is the largest creditor on iSun?

The largest creditor listed is Green Mountain Electric Supply of Colchester(\$1.8 million) and the second largest is Tesla Energy of Utah (\$1.7 million). See list of largest creditors below. All this followed a tumultuous early spring,as iSun re-installed Jeff Peck as CEO in April and hired a restructuring expert as CFO.

What is the capital city of Zambia?

The capital city is Lusaka,in the south-central part of Zambia. The population is concentrated mainly around Lusaka in the south and the Copperbelt Province to the northwest,the core economic hubs of the country. The Zambian economy has historically been based on the copper-mining industry.

Is a chapter 11/363 reorganization right for iSun?

Jeff Peck,CEO of iSun,sent this statement to VermontBiz June 12: "After careful consideration,we have determined that a Chapter 11/363 reorganization is the best path forward for iSun. This process will enable us to restructure our finances and operations to ensure our long-term sustainability and competitiveness.
