## Jordan greenex solar

Geenex is a leading national developer of greenfield utility-scale solar projects in the U.S. Our team of experts carefully educate and guide our clients through the solar development process.

For best results product should be diluted. o For pressure washers, hose sprayers, etc., dilute 1:5-20 (up to dirty on the surface area.) o For persistent soils, use a higher concentration of Greenex &#174; Solar Panel Wash and a soft cloth or brush to remove any remaining residues. Rinse the panels with water and allow to dry.

Utility-scale solar developer Geenex Solar has secured additional financing that will allow it to advance a pipeline of more than 8GW of PV and energy storage projects in the US Southeast and Midwest.
