We had an amazing time in Svalbard, thanks to Yngve and Gro. They are great hosts, attentive since the first message and through our whole stay. The warm and cozy apartment is close to the main street in Longyearbean, very convenient and easy to walk to all the stores and beautiful points of interest around.

The Bradt guide to Svalbard (Spitsbergen), including Franz Josef Land and Jan Mayen, is a unique, standalone guidebook to this evocative Arctic archipelago, a place that is plunged into darkness for four months each year and where there are 4,000 snow scooters for a population of just 2,500. This new sixth edition has been thoroughly updated throughout and ...

Since 1978, Linka Energy has been building fully automated plants, helping to reduce large amounts of carbon dioxide with our customers. With more than 40 years of experience and knowledge of biomass combustion, the company is ...
