## Martinique solar for my house

6 &#0183; Hey all, Me and my wife recently purchased our first house and it has a solar array that is about 11kw and has its own solaredge inverter and its own utility meter as it is directly grid tied. The power company just credits us what it produces and we apply it to our house. we are in the...

- 9 Solar panels and inverter, ensuring energy efficiency. - 3 garages and a laundry room, complete with two 1000L water tanks. - Blinds throughout the house for added privacy and style. Set on a corner stand, one of only 14 homes in the estate, offers privacy, comfort, and incredible sunset views over the canals.

4 &#0183; Please take a look at the image below and let me know if you would do something different or if I have not thought of something. Apparently, my PoCo requires a disconnect between the inverter and the meter, which has to be mounted within 6" ...

Martinique. Solar market outlook in Martinique. The people of Martinique rely on electricity for several daily activities. A huge chunk of the Island's power supply stems from fossil fuels. However, recent developments paint a picture of hope for its solar market. Martinique boasts of a fleet of solar power plants that supply clean energy to ...
