Mirai Solar originated in 2019 as a spinoff company from KAUST, stemming from the university's solar center with a vision to create innovative solar panel technology. Salvador said that the startup's vision evolved into what is now known as photovoltaic shading. "A typical shading structure, whatever it might be, is just passively shaded.

Solar collector : Solar vacuum tubes, water tank, bracket - 10 years ; Accessories - 1 year ; Contact us: +60162076569 Upgrade your home with the Mirai Residential Solar Water Heater and experience the convenience, efficiency, and sustainability of solar hot water. Take the first step towards a greener future today!

El Proyecto Paseo Loarque incorpora un sistema de energa solar diseado para impulsar la sostenibilidad en este centro urbano. Con una proyeccin de generacin anual de 121,96 MWh, esta instalacin proporciona una fuente de energa limpia y confiable que reduce los costos operativos, mientras respalda el compromiso del centro con el medio ambiente.
