Will China build Namibia's largest solar power plant?

Namibia's state-owned power utility NamPower on Monday said it had signed a contract with two Chinese firms to start building the country's largest solar power plant.

Why do we need a green hydrogen industry in Namibia?

When you look at the recent oil and gas discoveries in Namibia, as well as green hydrogen initiatives, you will see drive and growth in this economy. A lot of people will come to Namibia, and from an energy point of view, we will see growth in energy demand. Therefore, we need to have industry participants gearing up and preparing for this growth.

Rudra Mudra is a combination of two Sanskrit words, where rudra means terror, and mudra means seal or gesture. This is believed to be derived from God Rudra i.e. Lord Shiva's fierce mood as described in Rig Veda, who is the Hindu God of all yogis otherwise known as Adi Yogi, because Shiva is the first yogi and is the ultimate source of strength and power. Rudra Mudra ...
