With a firm commitment to quality, durability, and customer satisfaction, we have solidified our position as a trusted leader in the industry.

They gave me a sales brochure when I signed the initial contract which was useless to me. I would have preferred something like a "how to take care of your panels" type of booklet or after sales contact person's number maybe. Contract was 5 pages long and had lots of clauses - this sucks if you are like me and like to read everything you sign.

Solar Electric Manufacturers Association Nepal, Home ; About Us ... non-political professional business association, which represent all the Solar PV Electric Industries in Nepal and registered in District Administration Office, Katmandu.
