

# New Zealand ics cool energy ltd

We are proud Kiwis committed to delivering choice, innovation, and cost-effectiveness to the New Zealand electrical industry. For over 20 years ICS (formerly Independent Cable Supplies) has been supplying quality low and medium-voltage cable across New Zealand. In 2021, ICS changed ownership and moved its operation from New Plymouth to Auckland.

ICS Cool Energy 5\* company. ICS Cool Energy helped me in few years back when we had a warm winter and there chiller was much better for nearly the same price and the team at ics cool energy is fantastic. very helpful and over the years if i have had any problems Phill Ayres has always been happy to help just a phone call away. John Wright Turkeys

Requiring low temperatures for continuous operation and peak performance, data centre cooling requirements are high. Our industrial hire chillers (up to 1.2MW) and portable air conditioning solutions can provide the standard of cooling required to keep data centres running. Our hire chiller range is designed with the highest levels of efficiency in mind and are perfectly suited to ...
