Are Nibe water heaters energy efficient?

NIBE offers households peace of mind with its reliable, energy-efficient water heaters. Washing machines and tumble dryers, which make life easier for many of us, also need to be energy efficient. They contain several components made by NIBE. Energy conservation and thermal comfort

How Nibe contributes to the MedTech industry?

In the medtech industry, developments are rapid and new solutions save lives. NIBE contributes by being at the cutting edge of product development based on foil elements for various applications such as operating tables, sterilization equipment, DNA analysis and respirators. PV panels important to climate neutrality

Why should you buy a Nibe stove?

A stove from NIBE really makes a house cosy. It gently heats and becomes a natural place to gather on winter days and evenings. A stove saves money and, as combustion is very efficient and wood is a renewable energy source, it helps save the planet too. Stoves are also a secure source of heating in the event of power cuts.

PAR NIBE. Jau gandrīz 70 gadus NIBE ir rāzojis energoefektīvus un ilgtspējīgus klimata risinājumus jūsu mājām. Kompanijas pirmssākumi ir meklējami Markarīdā, Smolāndes apgabalā, un mes augstu vertējam savas skandināvu saknes, pielietojot dabas spēku. Apvienojot atjaunojamu enerģiju ar jaunām tehnoloģijām, mes sniedzam ...
