Please note that Phylion / Joycube often no clear type designations writes on your products. For example, Allen Phylion batteries with 36V have the inscription&quot;XH370&quot; and on Allen Joycube batteries &quot;JCEB360&quot;. However, this does not allow any conclusions to be drawn about the design, but only says that it is a 36V battery (37V nominal voltage). To find the ...
