Is nusun power a good company?

NuSun is a fine company with many respectable integral salesmen, sad to see it blasted on here. Just had a surprise visit from a sales rep for Nusun Power...felt weird letting him look up my electric account and resetting my pw which I immediately re-set after he left! DUH.

Why is Nusun launching a new technology platform?

Nusun is launching a new technology platform, set to include a proprietary app, later this year, in order to meet the growing demand for sustainable energy. Nusun's mission is to provide clean and environmentally friendly energy to everyone.

Malick Karomschi, the president of the Muslim Organisation for Innovation in Central African Republic, an NGO that is well known among survivors and has a large network across the country, said he has registered ...

Central African Republic - Kolingba, Authoritarianism, Conflict: Dacko's return was not well received. To maintain his power, Dacko was forced to rely on French paratroops and on administrative officials who had also served in Bokassa's government. As opposition grew, followed by labour strikes and bomb attacks, Dacko increasingly depended on the army to ...

6 · Central African Republic, landlocked country located in the centre of Africa. The area that is now the Central African Republic has been settled for at least 8,000 years. The earliest inhabitants were the probable ancestors of today's Aka (Pygmy) peoples, who live in the western and southern forested regions of the country. The slave state of Dar al-Kuti occupied the ...
