

# Powermax solar panels Guernsey

How many solar panels are there in Guernsey?

A solar panel project at a Guernsey charity is now complete and will power about 40 homes, Guernsey Electricity said. There are 310 photovoltaic panels on the roof of the newly reopened Guernsey Rural Occupational Workshop (Grow) site. The charity worked with Guernsey Electricity and The Little Green Energy Company on the scheme.

Could solar panels save guernsey's'mouth-watering' economy?

Jack Fletcher, from Renew Guernsey, told ITV News that widespread solar panel installation across Guernsey could not only produce greener energy, reducing the island's carbon footprint, but could also bring 'mouth-watering' economic benefits to the island.

Is there a waiting list for solar panels in Guernsey?

Guernsey firms say there is now a six-month waiting list to have solar panels installed. Credit: ITV Channel Guernsey is seeing an increase in demand for solar panels to be installed on houses with homeowners looking for cheaper energy alternatives. There is now a six-month waiting list for islanders to have panels installed on their homes.
