

Pure drive energy Portugal

Who is puredrive energy?

Protect your planet, property and pocket. Puredrive Energy can call upon over 10 years of experience in the development, deployment and placement of battery technologies. With extensive experience in lead acid batteries through to the latest Lithium Ion batteries, Puredrive Energy is at the forefront of battery centric energy storage systems.

Does puredrive have a live energy usage feature?

This is a very important feature for you if you wish to keep track of your energy usage over time. The Puredrive app does have a live energy usage feature. Within this feature, you can track how much energy you're using from your solar, battery and grid along with how much your home is consuming.

How does the puredrive energy app work?

The complexity of how & when to charge, store and consume your energy is now all handled automatically, resulting in the best possible financial savings and maximising the ROI you will achieve. The Puredrive Energy app connects all of our products together. This simplifies set-up time and maintenance.

Pure Drives customer service has been... Pure Drives customer service has been great, Callum flew over from England to NI to run us through all things PureDrive and did a training session with the office and installers. Callum has also answered every question we've had and was always really easy to get hold of. Date of experience: June 13, 2023
