

# RenewSys solar Namibia

What documents do you need to know about RenewSys Deserv solar modules?

BIS, IEC and other such certifications for our product range. Documentation related to Module-O&M, Handling Guides, etc. Information on how our PV Modules have created value for our customers worldwide. These are the technical datasheets, case studies, and related documents for the RenewSys DESERV range of solar PV modules or solar panels.

Who is RenewSys?

RenewSys is a globally renowned, integrated manufacturer of Solar PV Modules and its key components - Encapsulants (EVA & POE), Backsheets and Solar PV Cells. RenewSys, the renewable energy arm of the Enpee Group, has inherited the global conglomerate's diversified manufacturing excellence heritage.

Where is RenewSys located?

With a direct presence across India, the Middle East, Africa, China, and representative offices in Europe, the USA, and Mexico, RenewSys has become a global contributor to the solar revolution supplying to over 50 countries worldwide. Our consistent growth is made possible with passion, innovation, and our evolving distributor network.

Which battery brands do you sell in South Africa?

We can supply a variety of battery brands, but the two brands that we focus on are Blue Nova and Revov. Both are proven in the South African market and have an extensive track record. Safety is extremely important when installing solar systems.

RenewSys is globally recognised for manufacturing quality, reliable, Solar PV Modules and its key components - EVA, POE, Backsheets and Solar PV Cells. An overview of some of the key product launches and significant events at RenewSys. ... April 2016: RenewSys to Increase Solar Module Production Capacity to 280 MW ...

Company profile for solar panel and material manufacturer RenewSys India Pvt Ltd - showing the company's contact details and offerings. ENF Solar. ... RenewSys India Pvt Ltd 607, 6th Floor, Trade Center, Bandra-Kurla Complex, Bandra East, Mumbai, 400051, Maharashtra

Other modules from RenewSys Solar, including all the series of poly-crystalline, multicrystalline PERC, mono-crystalline, mono PERC and BIPV modules are all available to order. As a wholesaler, distributor and stockist of solar panels and inverters for the rooftop solar market, Go Solar offers best prices and fastest delivery across the country;

As far as RenewSys is concerned, we have recently announced our expansion plans. These include phased capacity additions--increase in encapsulants (ethylene-vinyl acetate (EVA) and polyolefin elastomer (POE) sheets) capacity to 4 GW, backsheets capacity to 4 GW, solar cells to 1 GW and solar modules to 1.75 GW.

RenewSys is the 1st i... Here's a look at how we test our DESERV PV Modules so that they are able to consistently deliver even in rugged and adverse conditions. RenewSys is the 1st i...

RenewSys is the first vertically integrated manufacturer of solar PV modules and its key components - Encapsulants, Backsheets, and Solar PV Cells. We manufacturer world-class PV modules that are recognized for their unmatched quality that assures peace of mind and consistent output.

Avinash Hiranandani, CEO and managing director of RenewSys, said it was "an exciting time to be in the solar manufacturing industry in India" as demand for solar increases and the central ...

2 &#0183; These solar projects are part of a broader strategy outlined in Namibia's National Integrated Resource Plan (NIRP) 2022, which aims to enhance the country's renewable energy capacity. This comes as Namibia ...
