I work in the solar industry as a solar educator and write to a global audience on everything solar PV. I had a look at ReNu Solar's website and have some valuable feedback for you. They call themselves "experts" after being in operation for just a decade and also mention they have transitioned into solar, so even less time to become experienced.

If you're wanting to go solar please reach out to Home ReNu, Jonathon B. - Lancaster, PA. Amazing owners and amazing staff! Loved my experience with them! Tracey S. - Mechanicsburg, PA. 100% satisfied solar customer! I felt as if I were their only client. Any questions or concerns I had were addressed quickly if not immediately.

ReNu Solar made the process of installing solar panels very easy. Their sales representative, Brittany Jacoby,

Renu solar Pakistan

was extremely knowledgeable, did not put any pressure, and was able to customize an array that would both maximize solar capture and not break the bank with panels that wouldn't get that much exposure and reduce the return on investment.
