The British Indian Ocean Territory has some of the most biodiverse waters on the planet with over 220 species coral, 855 species of fish and 355 species of molluscs. To ensure the future protection of this unique environment the BIOT Commissioner declared a 640,000 km²; "no-take" (where all commercial fishing and extractive activities are ...

Court Hearing on Friday 17 May 2024. Published: 10 May, 2024 TAKE NOTICE that, at 10am UK time on Friday 17 May 2024, the British Indian Ocean Territory Court of Appeal will hear, in open court, an application for special leave/permission to appeal, with appeal to follow if granted, in the matter of The Commissioner v The King (on the application of VT & Ors) [2024] BIOT CA (Civ) 1.

The situation in the British Indian Ocean Territory is completely different and not comparable, and I regret that in a way this decision has been made against the backdrop of a Conservative leadership contest, and that colleagues who know a lot better have sought to make partisan points with something so important.
