The Roads Section, supported by Crowley's Electrical Services (C.E.S), has recently successfully installed 100 new solar lights to replace the old solar street lights around the Island and to add additional lights in places where none existed before. These new solar lights have been installed as they are more efficient than the old units. The [...]

A Project to retrofit solar renewable energy and natural lighting into the Environment, Natural Resources & Planning (ENRP) Building at Scotland, St Paul's, has recently been completed (see photos attached). The Project was announced by His Excellency the Governor at the Queen's Birthday Garden Party at Plantation House in June 2021 and was ...

When you make a donation to St Helena Hospice, we are charged transactional fees by other companies, including fees for processing payments made to us, looking up addresses and validating bank account details. We are very grateful to our donors who offer to offset some of these fees with a minor addition to their total amount. This is however ...

Saint Helena warehouse solar

On 12 August 2014, ExCo agreed to the allocation of £1m of extra funding to build a new solar farm for electricity generation on St Helena. The new funding has been identified specifically to support only renewable energy projects, and must be spent in this financial year, 2014/15. ExCo was very supportive of this proposal as solar generated electricity [...]
