Saint Lucia National Vision Plan [28] The St. Lucia National Vision Plan highlights the challenges associated with transmission and distribution of electricity in the country and the possible alternatives, which includes renewables, that are available to be used for generation. 2010 National Energy Policy [5]

The top prizes offered for Power Play are far from being the world jackpot records, but all of them are good for the locals. Typically, the top-winning amount begins at EC\$1,500 and continues to increase incrementally until it reaches EC\$150,000.. Usually, full matches occur every 3-4 months, so the top awards rarely exceed EC\$150,000.
