

Shinefar solar Nicaragua

Who is shinefar solar?

Shinefar Solar Co. is a collaborative venture between Hangzhou XuLin Photovoltaic Technology Co. and Shinefar UK Co. We specialize in manufacturing high-quality photovoltaic modules. Our advanced production facilities span over 3.5 hectares in the Zheneng Intelligent Industrial Park in Huzhou, Zhejiang.

Why should you choose shinefar solar?

Shinefar Solar puts quality first always. 100% automatic production line with international standards and excellent system of quality control system to ensure the quality of manufactured products is perfect. Shinefar solar strictly controls the quality of panels. Each panel has undergone strictly with six quality inspection.

Where is shinefar solar made?

Our advanced production facilities span over 3.5 hectares in the Zheneng Intelligent Industrial Park in Huzhou, Zhejiang. With an annual production capacity of 3GW, we offer a wide range of modules, including PERC, N-type TOPCON, and HJT modules. At Shinefar Solar, we have a team of highly experienced technical personnel who drive our success.

Who is Hangzhou shinefar solar?

Hangzhou Shinefar Solar Co., Ltd., Experts in Manufacturing and Exporting Solar Panel, Solar Inverter and 0 more Products.

Where does shinefar Solar Ship to?

With a solid global presence, Shinefar Solar has been shipping products to Europe, Latin America, North Africa, and Southeast Asia. To better serve our international customers, we have established seven overseas branches and service centers in Germany, Spain, Poland, Finland, Thailand, Brazil, and the UK.

Where did shinefar solar participate in 2023?

In 2023, we also participated in Poland, the Guangzhou Canton Fair, Intersolar European exhibitions, and Intersolar America. Shinefar Solar owns national high-tech enterprises, 5 invention patents, and 29 practical patents.

Conte com alto rendimento e fácil manutenção com a Placa Solar da Shinefar - o painel monocristalino que garante confiabilidade para o seu projeto de energia solar. Com vidro de alta transparência de 3,2mm e materiais de máxima qualidade - incluindo wafers de última geração -, a placa solar garante excelente eficiência em aplicações ...

Warum eine Solaranlage von Shinefar Solar? Wenn Sie sich für eine Photovoltaikanlage von Shinefar Solar entscheiden, wählen Sie höchste Qualität. Profitieren Sie von den Vorteilen der eigenproduzierten Solarenergie sowie von umfassenden Leistungen und langjährigen Garantien.
