A new co-working space under what we call our "Digital Curve" which houses a few other spaces. The 381 Hub is our co-working space and our other spaces are the likes of a wellness and nail beauty space (Ayraa's Wellness Studio & Top Nail), our young innovative & creative learning space (Kids Digital Studio) and our own food & beverage space (Aisha's Lunchbox).

With solar panels and an inverter, you can capture the sun's energy and convert it into usable electricity for your home or business. If you add battery storage to your system, you can store excess energy generated during the day and use it ...

KUCHING, Oct 31: The upcoming Kuching Low-Carbon Gas Hub is projected to attract foreign investments of up to RM200 billion into Sarawak. Premier Datuk Patinggi Tan Sri Abang Johari Tun Openg emphasised that this hub, part of the Sarawak Gas Roadmap, will introduce natural gas to Kuching for the first time.

The pace of Shariah compliant business is becoming faster, and the demands for Shariah compliance are continually growing. Existing or aspiring Shariah compliant businesses must have a trusted advisor to ensure adequate compliance with Shariah principles and requirements.
