3 · The RTW is the price of power in wholesale markets, reflecting supply and demand for electricity at any given time. This market is maintained by ERCOT, who publishes the price in 15 minute intervals. This is what's known as the "settlement price point" or SPP for short - the price the market "settled" to during that interval.

PV Tech has been running PV ModuleTech Conferences since 2017. PV ModuleTech USA, on 17-18 June 2025, will be our fourth PV ModuleTech conference dedicated to the U.S. utility scale solar sector.
