Renogy offers reliable and innovative solar panels, inverters, lithium batteries, and solar charge controller for off-grid solar systems. Shop confidently with premium-quality products, expert guidance, and outstanding customer ...

Yes absolutely! Our balcony kits are scaled to be slightly smaller than your average solar panel kit so that you can utilise all the space available to generate renewable energy. Balcony kits also come with mounting and racking systems so that you can attach your solar system to railing, walls, or even the floor!

The implementation of our 48V 3500W Solar Inverter Charger introduces two new features to the kit: the conversion of DC power to AC (used to power common household appliances), and AC/Grid charging capabilities. Newly added BT-2 Bluetooth Module allows you to view system performance in real time from the Renogy DC HOME smartphone App.
