As the collaboration has progressed smoothly, we initiated the distribution of Leapton's products in the Nordic and Baltic countries in 2022. Thanks to Leapton's quality and flexible terms, we have sold 200MW of solar panels in a short period. In addition, our largest 28MW solar station in Paide will be completed in the fall of 2023.

With over 10 years in the solar energy field, Leapton Energy has built a solar module manufacturing base, Leapton Solar (Changshu) Co., Ltd., in Jiangsu province, China. Leapton Energy produces high-quality solar modules with a 25-year product warranty, a 25-year power guarantee for standard modules, and a 30-year power guarantee for bifacial ...
