Turks and Caicos, October 7, 2024 - FortisTCI, the energy provider in the Turks and Caicos Islands, is making significant strides in constructing the country's first utility-scale solar plus battery microgrid on its property in Kew, North Caicos. The project began last year and has reached a critical milestone with the installation of solar PV [...]

This is my first solar project. It's a 14x12 shed with a 16ft lean-to on the back. It's built around a 48v EG4 3kw charger inverter with two 24v 100ah lifepo4 batteries in series. Using second hand Trina Solar 310w panels in a series of six mounted on the lean-to roof. This system is intended to power my greenhouse fans, heat mats, and workshop ...
