Sri Lanka. Contact +94 112 123456. info@solarise.lk. Follow us. Dribbble. ... High Efficiency : JA Solar panels consistently deliver high energy yields due to their advanced cell technology. Durability : Built to withstand harsh weather conditions, our panels are designed for longevity.

Like most people in Sri Lanka I too was on the look out for a viable solution to the looming power bill. I came across REM Solar on FB amongst many other vendors all of whom I contacted . The response however was totally different from REM, the response to educate on the workings of the system was primary rather than to make a sale.
