

Slovakia has something for the skier at every level. Local ski runs in the most surprising places, or wonderful modern longer runs are never more than a 30 minute drive from just about everywhere in the country. The best skiing in Slovakia is at the highest altitudes. Most resorts range geographically to the northeast (Donovaly, High Tatras ...

Sustentator Meaning Latin Word: Sustentator English Meaning and Origin "Sustentator" in Latin means "supporter," "maintainer," or "sustainer." It derives from the verb "sustentare," which means "to sustain" or "to support." The noun "sustentator" (sustentatoris in the genitive case) describes one who sustains or supports something or someone.

European Union and NATO member state since 2004. Slovak is a western Slavic language, very closely related to Czech and relatively close to Polish and the languages of the former Yugoslavia.. Nationalities: 85% Slovak (western Slavic in origin), 10% Hungarian, 3% Roma.Significant smaller nationalities include Czechs, Ruthenians, Ukranians, Germans and ...
