

Taiwan jackery solar

Who is Jackery solar power?

Founded by a former Apple battery engineer in Silicon Valley, Jackery has been committed to providing outdoor green power solutions for explorers and outdoor enthusiasts. Jackery launched the world's first lithium portable power station in 2015 and released the SolarSaga Series solar panel in 2018.

What types of portable power supply solutions does Jackery offer?

Jackery offers an array of portable power supply solutions, including solar generators, portable power stations & solar panels. Click to learn more!

Who owns Jackery?

Jackery's efforts on R&D and sustainability are globally recognized. Joe Seneris a private pilot and a retired engineer with a deep-rooted love for aviation. He has been in the aviation industry for the last 20 years and has undertaken many flying trips. Tom owns the Jackery Explorer 240, 1000, 1500, and 2000 Pro and loves the technology.

If you need a fast charge, our Jackery 2000 Plus can be fully charged in under 2.5 hours with 6 Jackery Solar Saga 200W Solar Panels. Jackery solar generators have zero emissions, making them safe for indoor and outdoor use.

The Jackery Solar Generator 5000Plus has a charging port with dimensions of 80x55x20, compatible with all current solar panels on sale. For older 60W/100W/200W solar panel versions, a 7909-to-8082 adapter is required.

Foldable Solar Panel. The robot boasts modular, folding solar panels on its top. When folded, it's compact for versatility, and unfolded, six solar panels expand the light-receiving area, generating up to 600W of power. This design offers both aesthetics and efficient energy conversion.

Jackery solar generators equip industry-leading solar panel efficiency of 25%, and can charge fully in 4 hours at the fastest (Solar Generator 1500 Pro). With the MPPT and IBC solar technology, the solar backup generator supports continuous and stable charging even during cloudy days and high temperatures.

• 2 kWh large capacity with up to 24 kWh extended power, elevates off-grid living to the next level. A single Jackery Explorer 2000 Plus Power Station supports up to 5 add-on battery packs at a time, expanding capacity from 2 kWh to an exceptional 12 kWh - perfect for road trips, outdoor camping, heavy duty and home emergency.

Jackery Solar Generator 300 Plus Portable Power Station with 40W Book-sized Solar Panel, 288Wh Backup LiFePO4 Battery, 300W AC Outlet, Only 5KG for RV, Outdoors, Camping, Traveling, and Emergencies .
