

Timor-Leste titan new energy company

Who owns Greater Sunrise & Troubador gas & condensate?

Comprised of the Sunrise and Troubador gas and condensate fields, Greater Sunrise is located 150 kilometres south of Timor, and Woodside's joint venture partners include majority owner Timor Gap (Timor-Leste's national energy company) and the Australian arm of Osaka Gas.

Will Timor Gap be able to build a multi-billion-dollar gas processing plant?

Timor Gap Chief Executive Officer Antonio De Sousa noted that the ease of securing approvals for gas projects in East Timor compared with the escalating difficulties in Australia should help persuade Woodside to build the multi-billion-dollar gas processing plant in Timor.

Why did Woodside Energy start a concept select program in Timor-Leste?

Last year, Woodside Energy and its partners agreed to quickly begin a concept select program for the Greater Sunrise natural gas project off Timor-Leste, after Woodside Chief Executive Meg O'Neill said the company would reassess its long-held view that piping gas from the field to the south coast of Timor-Leste was not viable.
