Felicity Solar Uganda - Felicity Solar Uganda is at the forefront of Uganda's solar revolution, offering a wide array of top-tier solar systems, from panels and inverters. ... LPBF48V 100AH S Smart Solar Battery Lithium Ion 5KWH Rechargeable Lithium Battery Deep Cycle Read more;

Optimize your solar energy collection with the Victron SmartSolar MPPT 75/15. This advanced solar charge controller utilizes Maximum Power Point Tracking (MPPT) technology to extract the most power possible from your solar panels, ensuring you get the most out of your investment, even in less than ideal conditions.

Agriculture is a vital part of Uganda's economy, supplying significant employment to Ugandan citizens. With the effects of climate change, the economy of Uganda could be heavily impacted. Severe weather and droughts impact agriculture and crop yield, which could have a devastating effect. To combat these issues, farmers have turned to irrigation farming to ensure [...]
