Also note that most AC adapters supply a slightly higher voltage than than AA batteries, ie. Olympus sells an optional 3.4V adapter for their new Olympus D535. AND don't think just because the voltage is within range that you can use any old adapter. It needs to output a minimum amperage rated in amp/hrs that is needed by the digicam.

Raging Gods: Olympus Power Combo is one of the many online slots to exploit Greek mythology as a tool to lure gamblers in with familiar names and faces.. The slot comes from Nailed It! Games, which is yet another Games Global partnered studio. It is one of this juggernaut's less-known partners, operating from Poland, with only fourteen reel-spinning titles in its arsenal.
