

Varo energy Bahrain

What is Varo energy?

VARO Energy is committed to accelerating the energy transition with a blend of conventional and sustainable energy solutions. Learn about their innovative approach, reliable energy supply, and sustainable practices that meet diverse energy needs across Europe.

Why should you join Varo energy?

As the company grows, we offer many opportunities and development paths for all our people. VARO Energy, a Swiss-based company, leads in the energy sector, focusing on sustainable energy transition through innovative solutions and strong partnerships. Founded in 2012, VARO is committed to high ethical standards and low-carbon energy.

What is Varo energy's 'one Varo transformation' strategy?

VARO Energy CEO Dev Sanyal said: "Our ONE VARO Transformation strategy is centred on meeting the need of our customers to decarbonise as they progress in the Energy Transition while ensuring supply reliability.

What does Varo do?

VARO aims to be the energy transition partner of choice for reliable, accessible, and sustainable energy solutions, and is distinctly positioned to empower customers to pursue their own decarbonization efforts. VARO is playing its own part in this effort, with a goal to achieve net zero emissions by 2040.

Who owns Varo energy?

It was established as a joint venture between the commodity trader Vitol (75%) and Atlas Invest (25%), a financial holding company owned by the leading energy investor, Marcel van Poecke, who remains the Chairman of VARO Energy.

Why did Varo create a new strategy?

Led by a new CEO, VARO wanted to announce a new strategy to be the partner of choice for customers in the energy transition. They needed help with creating a corporate positioning, refreshed visual identity and website, celebrating its past and galvanising excitement for an ambitious carbon-free future.
