

Despite these economic changes, Vietnam maintains its communist political framework. The Communist Party of Vietnam retains strict control over the country's political system, governing with a one-party rule that limits political pluralism and dissent. The dual approach has been instrumental in achieving economic progress while maintaining political authority.

1 &#0183; Marubeni Corporation, through its wholly-owned subsidiary Marubeni Green Power Vietnam Co., Ltd, has commenced a battery energy storage system ("the BESS") demonstration project in the Socialist Republic of Vietnam (hereinafter, "Vietnam").
