

In 1991, BNP Nouvelle-Calédonie, a subsidiary of BNP Paribas, established a subsidiary, Banque de Wallis-et-Futuna, in the territory. Two years earlier Banque Indosuez had closed its branch at Mata-Utu, leaving the territory without any bank. Following this, the Bank of Wallis-and-Futuna (BWF) with its head office in Wallis was created in 1991.

The FENECON Commercial 50 is aimed at commerce, industry, larger charging parks and also grid operators. With an output of 50 - 250 kW and modularly expandable capacity of 70 - 1,400 kWh, it offers a wide range of applications as an indoor or outdoor variant.

FENECON Commercial 50 is a fully modular electricity storage system - the basis for a sustainable, eco-friendly energy system. The scalable power storage solution grows with your energy needs.

Welcome to the download center of the FENECON Commercial 50 storage system! On these pages you will find the latest specifications & brochures, instructions, certificates, manufacturer's declarations and warranty conditions for upload. The download center is updated regularly - so feel free to check back. Specifications ...

Über uns. Wir sind ein Team von leidenschaftlichen Menschen, deren Ziel es ist, das Leben aller durch bahnbrechende Produkte zu verbessern. Wir bauen großartige Produkte, um Ihre Geschäftsprobleme zu lösen.

FENECON Commercial 50. Commercial battery energy storage system. for indoor & outdoor applications. Battery energy storage systems for the 100% energy transition. Complete integrated system. . AC power output: from 50 to 250 kW . . Capacity: scalable from 70 up to 1,400 kWh . . For indoor & outdoor

applications* . Expandable in capacity and power .

FENECON Commercial 50 Commercial storage system with outdoor capability For a better future with 100% renewable energies High performance battery B(. *39 .3; *79*7 Open source based energy management FEMS Commerce. Industry. Charging Parks. Grid operators. Complete integrated system :7& "1* & 3) 574 9& "1* Sector coupling: heat, e-mobility

users can adapt their FENECON energy storage system according to their individual needs. o Use the advantages of FEMS on your energy journey even more efficiently with FENECON o Simply download apps and install them via license key o Purchase apps optionally as bundle o Fast and convenient installation process FEMS App Center
