

The Extractive Industries Transparency Initiative (EITI") is the global standard to promote open and accountable management of oil, gas, and mineral resources. The EITI Standard requires the disclosure of information along the extractive industry value chain. Solaris endorses the Principles and Criteria of the EITI and joined as a supporting company in Ecuador in February 2021.

Canadian company Solaris Resources has voluntarily terminated its plan to divest a minority stake to Zijin Mining Group, which was intended to support the expansion of the Warintza Project in Ecuador.. The deal, valued at C\$130m (\$97.2m), was announced in January this year, and would have given Zijin approximately a 15% stake in Solaris on a fully diluted ...
