Is Viridi Parente a good investment?

Financially, Viridi Parente is well-positioned for growth. The company has raised \$118 million through three funding rounds, with backing from prominent investors like Tom Golisano, the founder of Paychex, industry leaders like Sunbelt Rentals and National Grid Ventures, and Williams himself.

Who is the founder of Viridi Parente?

Jon M. Williams, the founder of Viridi Parente, is no stranger to innovation, having founded and grown successful businesses in three fields: environmental engineering, heavy equipment rental and servicing, and real estate development. Founder and CEO of Viridi, Jon M. Williams (r) at an event with the senior senator from the state of ... [+]

Is Viridi Parente a unicorn?

Unicorn status is in sight Viridi Parente's post-money valuation on the round is \$700 million, putting it in sight of the unicorn status (a private market value of more than \$1 billion). Buffalo's first software unicorn was minted in 2019, when ACV Auctions crossed the \$1 billion threshold.

Who is National Grid's first customer of Viridi Parente?

Williams said National Grid was the first customer of Viridi Parente's battery-powered construction equipment. But he said National Grid's vision goes deeper. Viridi Parente is developing a line of stationary energy storage stations that could be used on everything from buildings to parking lots.

The Viridi ViSTA™; Data Engine for Industrial IoT device management is a software system that helps companies like yours manage substantial amounts of data generated by IIoT devices in industrial settings, such as factories, virtual power plants, campuses, oil rigs, and more.

Like the islands themselves, places to stay in Wallis and Futuna are small and friendly. In Wallis, visitors have a choice of small quality family hotels, a bed and breakfast, an inn and a guesthouse. Each hotel offers guests a catering service, and there are also restaurants and snack bars on the island.
